## 1. Greeting arrangements for Freshers

Bee is arranging with Ian (catering manager) for tea and coffee to be available. She also said that the GU and CUSU freshers guides should be arriving from the printers soon and she has nearly finished the new edition of the Darwin survivor's guide and will bring it to the next meeting. Jason said he had some help and support phone numbers to add.

Bee asked Jason to ask Mike to get in some supplies of attack alarms, pregnancy tests and condoms from CUSU before the new term.

Anke offered to take the college tours on Wednesday of freshers' week.

## 2. Video club

Bee said that someone (Shona?) has volunteered to take over running the film club.

## 3. Officer's reports

Anke (sports) is approaching St Cats, Newnham, Pembroke for an arrangement for use of their football pitch, as Caius has stipulated unacceptable terms. She also suggested we buy a clothes rack for the Darwin-ware sales as a convenience. For freshers fair she asked whether presentation boards were available in the College but the committee believed not. She also reported that some sports teams still have nobody to take over their running next year – in particular tennis and lacrosse.

Jason (welfare) reported that CUSU and LinkLine asked to give presentations at our freshers fair. Our format makes this difficult but he suggested they man a stand. Also, Karin Haack has indicated that she would like to organise something for families, perhaps a day-care rota or similar.

Max (ents) reported that the 3 pieces of ents equipment not identified in the recent ents clearout do after all belong to the DCSA.

Amyas reported that he has taken over the computer loan scheme. Only two have not yet been returned.

Other officers nothing to report.

## 4. Other business

Saima Haque (ents) has left Cambridge and Max will be taking over her duties and will stand for election as ents officer in November.

The next meeting will be at 20:00 on Thursday 18<sup>th</sup> September.
